

TUESDAY 9th APRIL		Agricultural University of Athens - AUA Library lecture room	
Day 1	Opening and topic introduction		
	09:00-09:30	Student registration	
	Morning session		
	09:30-10:00	Welcome introduction	Pr. Emmanouil Flemetakis - <i>Agricultural University of Athens</i>
	10:00-10:30	High throughput functional genomic platforms for probing bioactivity of natural products	Dr. Dimitris Skliros - <i>Agricultural University of Athens</i>
	10:30-11:00	Studying oxidative stress responses in microalgae: The role of SBP	Ms Aikaterini Kolleti - <i>Agricultural University of Athens</i>
	11:00-11:30	Coffee break	
	11:30-12:00	Biosensors in toxicological research	Pr. Georgia Moschopoulou - <i>Agricultural University of Athens</i>
	12:00-12:30	Natural preservatives for perishable food products	Dr. Theofania Tsironi - <i>National Technical University of Athens</i>
	12:30-14:00	Lunch break	
Afternoon session			
14:00-17:30	Laboratory course: Metabolomic analysis of complex natural extracts	<i>Agricultural University of Athens</i>	
WEDNESDAY 10th APRIL		APIVITA Experience store - Solonos 6, Athens	
Day 2	Morning session		
	10:00-10:30	Welcome Speech & registration	Dr. Konstantinos Gardikis - <i>Konstantinos Gardikis - R&D Director - APIVITA</i>
	10:30-11:00	Mycosporine-Like Amino Acids (MAAs) The natural sunscreen in marine micro and macro algae	Dr. Amalia Venetsanopoulou - <i>Scientific associate of HCMR - Institute of Oceanography</i> Dr. Anthi Karnaouri <i>Postdoctoral Researcher - National Technical University of Athens, Greece & Associated Researcher - Lulea University of Technology, Sweden</i>
	11:00-11:30	The Laurencia paradox: An endless source of chemodiversity	Pr. Vassileios Roussis - <i>University of Athens - Faculty of Pharmacy Dpt. of Pharmacognosy and Natural Product Chemistry</i>
	11:30-12:00	Coffee Break	
	12:00-12:30	Reverse Chemical Ecology: An emerging approach towards identification of novel plant insect repellents	Dr. Spyros E. Zographos - <i>Ph.D. Research Director - Structural Biology and Chemistry Institute of Biology, Medicinal Chemistry & Biotechnology - National Hellenic Research Foundation</i>
	12:30-13:00	Innovation on the final product and communication	Christina Papiatsa - <i>MSc. Global Product Manager - APIVITA</i>
	13:00-14:00	Lunch Break	
	Afternoon session		
	14:00-15:40	Algae4A&B General assembly & Executive Committee meeting WP1-WP5	Algae4A-B partners only
15:40-16:00	Coffee break		
16:00-17:30	Algae4A&B General assembly & Executive Committee meeting WP6-WP10	Algae4A-B partners only	
THURSDAY 11th APRIL		APIVITA Experience store - Solonos 6, Athens	
Day 3	Morning session		
	10:00-11:00	Algae4A&B General assembly & Executive Committee meeting Round table discussion & workplan	Algae4A-B partners only
	11:00-11:30	Coffee break	
	11:30-12:30	Algae4A&B General assembly & Executive Committee meeting Round table discussion & workplan	Algae4A-B partners only
	12:30-13:00	Closing remarks	Algae4A-B partners only
	13:00-14:00	Lunch break
